

Jordan School District
Parent and Family Engagement Policy
Oct. 2022 - Oct. 2025

JSD will utilize a Title I Parent Engagement Steering Committee to review the written Parent and Family Engagement Policy and 1) provide feedback on a common school-level parent engagement survey 2) review survey data and 3) make recommendations based on the data to enhance parent engagement outcomes at the school and/or district level.

The District will meet with members of a Title I Parent Engagement Steering Committee comprised of at least the following from each Title I school: 1 school administrator, 1 school licensed staff representative, 1 educational support staff and 2 or more parent steering committee representatives to:

1. Ensure that an annual Title I Parent Engagement Survey for each Title I school is administered during the third quarter.
2. Provide analyzed survey data to each individual Title I school for review prior to updating their Title I plan.
3. Review Title I Parent Engagement Survey data summarized at the district level and provide feedback and recommendations to schools or district departments as needed.
